Give your clients one less thing to worry about

While the majority of end-of-life medical care is paid by Medicare and other insurance or government programs, the median cost for a funeral is \$7,848 — a cost not covered by Medicare.¹ Despite Medicare or private insurance coverage, elderly households may still face considerable financial risk from out-of-pocket health care expenses at the end of life.

You can help provide your clients added peace of mind from a name they know and count on every day — Aflac. Customers and their families rely on Aflac to help provide an additional layer of financial protection. Final expense insurance from Aflac offers:

- Straightforward eligibility determined by answers to a few medical questions.
- Flexible coverage amounts to help meet policyholder needs.
- Guaranteed level premiums with payments that match client's Social Security deposit schedule.
- Strong commission levels that are competitive and appealing.
