## Get Aflac Final Expense for your portfolio

## Give your clients one less thing to worry about

While the majority of end-of-life medical care is paid by Medicare and other insurance or government programs, funeral costs and other personal expenses are not. Despite Medicare or private insurance coverage, elderly households may still face considerable financial risk from out-of-pocket health care expenses at the end of life.

You can help provide your clients added peace of mind from a name they know and count on every day — Aflac. Customers and their families rely on Aflac to help provide an additional layer of financial protection. Final Expense insurance from Aflac offers:

- Straightforward eligibility determined by answers to a few medical questions.
- Flexible coverage amounts to help meet policyholder needs.
- Guaranteed level premiums with payments that match client's Social Security deposit schedule.
- Strong commission levels that are competitive and appealing.
